all it takes!

Fast, High Quality Compaction

RD12 Fixed ROPS Roller

The RD12 one-ton roller series features dual drum drive and articulated steering for extremely accurate control. Front drum vibration with static rear drum leaves a quality asphalt finish. A high exciter frequency allows compaction at faster speeds while still delivering even coverage and excellent results.

Personal Winter Protection

Stay safe and warm on the job

Free McCann Blade

When you buy a Husqvarna K 770 and WT 15 water tank

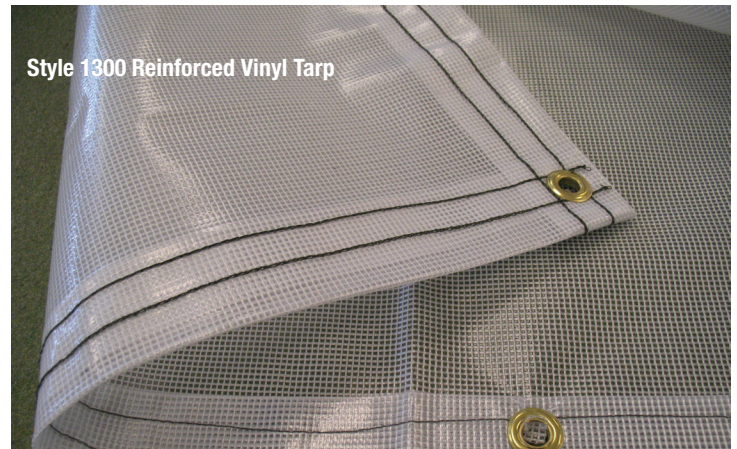

Purchase the Husqvarna K 770 power cutter with the WT 15 water tank, and receive a free 14" McCann blade for the saw. Equipped with the semi automatic SmartTension system, the K 770 allows optimal power transmission and minimal wear to cut tough material to a depth of 5". With the compact, four gallon WT 15 water tank you can take water anywhere for efficient wet cutting. It also includes a battery to eliminate manual pumping.

Clear Your Cutting Sightlines

DeWalt DCS577X1
60 V 9 Ah saw

Improve cutting performance with a worm drive design that ensures a clear line of sight for outstanding results.
