Save on the supplies and materials you need

## Give Concrete Surfaces a Fresh New Look!

### SikaColor 400 Opaque

SikaColor 400 Opaque is a reactive acrylic solid color stain designed for concrete or cement based materials. It eliminates the need for surface preparation because of self-etching properties, and it's UV, abrasion, and salt resistant.

### Butterfield® Color Clear Guard® PRO 350®

Clear Guard PRO 350 is a solvent based, curing and sealing compound for residential, commercial, and municipal concrete surfaces. It provides excellent color enhancement, is UV resistant, dries to a high gloss, and does not contain acetone or TBA.

### Husqvarna PG 450 grinder

The best tool for concrete polishing, the PG 450 has a working width of 17.7", a 2.05 HP engine, and can be easily folded down for transport. Keep dust under control with its self-adjusting floating cover that ensures a clean work area.

### Euclid Chemical EUCO RE-COVER

EUCO RE-COVER is a polymer modified, fiber-reinforced concrete resurfacing mortar. Just add water, and you can give old, damaged concrete a completely new appearance. It's ready for foot traffic in just four hours!

Only \$799!

### Special Low Price on the DeWalt BD-DCS690X2 60V Cutoff Saw

**Act fast—limited supply available!**

The BD-DCS690X2 is a lightweight, compact, battery powered saw that makes fast and accurate cuts in concrete, pavers, steel, and rebar. Part of the FLEXVOLT system, you can use the same batteries with this saw that you use with your other FLEXVOLT tools.

Offer ends October 31, 2021.

### Special Low Prices on Jackets and Sweatshirts

**Stay warm and dry as temperatures drop**

We're offering limited time deals on high visibility waterproof jackets and polyester hooded sweatshirts. The jacket has a removeable fleece liner and detachable hood, along with an elastic ribbed waist, wrist, and collar to keep out the wet and cold.

Ask about putting **your company logo** on jackets and sweatshirts!
