Special Low Prices on Jackets and Sweatshirts

Stay warm and dry as temperatures drop

We're offering limited time deals on high visibility waterproof jackets and polyester hooded sweatshirts. The jacket has a removeable fleece liner and detachable hood, along with an elastic ribbed waist, wrist, and collar to keep out the wet and cold.

**\$59 for
Jackets**

**\$29 for
Sweatshirts**

Ask about putting **your company logo** on jackets and sweatshirts!

Prevent Slips and Falls this Winter

Melt ice fast using these products

Ice Beeter responsible melter

Ice Beeter is formulated with pet friendly ingredients and soil supporting compounds to protect animals and vegetation while melting ice in temperatures as low as -20°F.

Urea non-salt ice melt

Urea will melt ice down to 15°F and does not contain chlorides, making it less corrosive for use on concrete containing rebar and around steel structures.

Safe Step rock salt

Available by the bag or pallet, Safe Step contains optimally sized rock salt crystals for effective ice and snow melting down to 5°F.

Don't Let the Cold Freeze Your Business

We're helping you **bring the heat**

HeatStar HS125N radiant heater

- 125,000 BTU natural gas heater
- Quiet and odorless
- Heats up to 3,000 ft²

HeatStar HSP150R radiant heater

- 102,000/146,000 BTU
- Powered by kerosene, diesel, or fuel oil
- 14 Gallon fuel tank

HeatStar HS125LP radiant heater

- 125,000 BTU propane heater
- Quieter than forced air heaters
- Heats up to 3,000 ft²

DeWalt DXH125FAV forced air heater

- 125,000 BTU propane heater
- Quiet burner technology
- Heats 3,125 ft² for up to 29 hours

DeWalt DXH135HD forced air heater

- 135,000 BTU kerosene/kerosene diesel heater
- 14 Gallon fuel tank
- Heats 3,375 ft² for up to 14 hours

DeWalt DXH65FAV forced air heater

- 35,000 to 65,000 BTU propane heater
- Quiet burner technology
- Heats 1,625 ft² for up to 12 hours

DeWalt DXH170FAVT forced air heater

- 170,000 BTU propane heater
- Quiet burner technology
- Heats 4,250 ft² for up to 17 hours

DeWalt DXH190HD forced air heater

- 190,000 BTU kerosene/kerosene diesel heater
- 14 Gallon fuel tank
- Heats 4,750 ft² for up to 10 hours

DeWalt DXH12B radiant heater

- 6,000/12,000 BTU propane heater
- Dual tank capability
- Powered by 20V Flexvolt batteries

DeWalt DXH70CFAV forced air heater

- 70,000 BTU propane heater
- Quiet burner technology
- Heats 1,625 ft² for up to 12 hours
