Rental Equipment from McCann

- Clean, well maintained equipment
- Recent models
- Delivered to your jobsite
- Wide selection

When you need extra machines, McCann will deliver clean, well maintained rental equipment right to your jobsite.

Rent anything from concrete forms to construction equipment

At McCann we can help you match the right rental equipment to your specific project. Our equipment is low hour, well maintained, reliable and works the first time, every time. Our rental fleet contains brand names that you can depend on for consistent performance—CASE, Takeuchi, Sullair, Husqvarna, Wacker, Honda, plus many more.

Clean, well maintained equipment

We take care of our rental equipment, so it's in top condition for you any time you need extra help on a job. Equipment inspections are conducted regularly, and maintenance is performed at intervals recommended by the equipment manufacturer. Repairs are always completed promptly, so you'll never be inconvenienced by unexpected downtime when you rent from McCann.

Recent models

Our equipment fleet is routinely updated. We rotate out older models, sell them in our used equipment fleet, and replace them with new equipment. Renting from McCann is the perfect opportunity to try out a model you're thinking of purchasing. Ask about our convenient rent to own options.

Delivered to your jobsite

We can deliver any equipment you need right to your jobsite, along with your supplies. Or, if you'd rather, you can pick up your equipment at any of McCann's convenient locations.

You can depend on McCann for anything you need to help you complete your jobs on time.

Rental Guidelines

- A McCann Industries Rental Agreement must be signed, and an account must be established prior to pick up or delivery.
- Rates are based on the length of the rental period, with an 8 hour day, 40 hour week, and 160 hour 4-week period. Additional hours will be billed at overtime rates. Rates and equipment are subject to change without notice. Local and state taxes may apply.
- Rental machines must be returned with a full tank of fuel, or additional fuel charges will apply.
- Lessee is responsible for daily maintenance, excessive or unusual wear and tear, and any tire or track repairs.
- Physical damage and liability insurance is required from the lessee for the equipment to protect against damage, theft or vandalism. A certificate of insurance is required prior to rental.
- Lessee will return equipment in a reasonably clean condition. Lessee will be billed for excessive clean up at posted shop rates.
- Delivery is additional to the rental rate and is quoted FOB McCann Industries. State and local permit costs are additional when required.
