USED EQUIPMENT PROTECTION PLANS

Peace of mind for qualified used equipment.

Protect your investment from unexpected repair costs with McCannProtect. Our Used Equipment Protection Plans provide reliable coverage on eligible machines—so you can stay focused on the job, not the downtime.

- No additional cost on eligible used equipment
- 12 months / 1,000 hours of coverage
- No deductible
- Multiple coverage levels available (upgrade for expanded protection)

Keep your equipment running strong and your job moving forward.

PARTS AND SERVICE

Factory-trained technicians and advanced diagnostics to keep your equipment running.

What We Offer

- In-shop and 24/7 on-site service
- Light equipment repair
- Service support for all makes and models
- Multimillion-dollar parts inventory
- Fast response across Chicagoland, Northern Indiana & Western Michigan

Why McCann

- OEM-trained, factory-certified technicians
- State-of-the-art diagnostic equipment
- Experienced parts & service teams ready to support your job
