# REDUCE YOUR 2025 TAXES THROUGH THE SECTION 179 EXPENSE PROVISION

By investing in equipment for your business

## Examples of Tax Savings

|                                    |          |
|------------------------------------|----------|
| #1 Equipment Cost                  | \$80,000 |
| Section 179 deduction              | (80,000) |
| 100% bonus depreciation*           | (0)      |
| Savings in taxes at a 21% tax rate | \$16,800 |
| $80,000 \times 21\% = 16,800$      |          |
| Cost of equipment with tax savings | \$63,200 |

|                                    |           |
|------------------------------------|-----------|
| #2 Equipment Cost                  | \$650,000 |
| Section 179 deduction              | (650,000) |
| 100% bonus depreciation*           | (0)       |
| Savings in taxes at a 21% tax rate | \$136,500 |
| $650,000 \times 21\% = 136,500$    |           |
| Cost of equipment with tax savings | \$513,500 |

**21% Savings**

\*Bonus depreciation only applies to purchases exceeding Section 179 maximum of \$2,500,000.

Equipment must be purchased and placed into service by 12/31/25

- Section 179 allows a deduction up to \$2,500,000 with a \$6,500,000 cap on expenditures for **new and used** equipment purchases
- 100% bonus depreciation on **new and used** equipment purchases in 2025

## PARTS AND SERVICE

**The latest repair and diagnostic equipment,  
factory certified technicians**

- Shop services
- On-site services 24/7
- Light equipment repair
- Multimillion dollar parts inventory

### Our Technicians Are Factory Trained

McCann has extensive requirements to certify technicians and assure that they are properly equipped. Our technicians attend classes at our OEM's training center at multiple times a year to learn about new diagnostic and service techniques and any changes in equipment requirements.

### Shops with the Latest Technology

Our facilities feature state-of-the-art electronic service diagnostic tools that provide accurate machine evaluations to pinpoint problems quickly, whether they are with engines, drive trains, or hydraulic systems.

### Fast Parts Availability

We have a multimillion dollar parts inventory to deliver your components as quickly as possible. Our parts and service managers average more than ten years of experience and are ready to find the parts you need.

### 24 Hour On-Site Emergency Service

We understand that you might have a problem on a weekend or evening, and our technicians are available whenever you need us. With ten locations across Illinois, Indiana, and Michigan, McCann technicians can quickly respond to your emergency and reduce costly downtime.

### Product Support Sales Representatives

Our PSSRs are your resource at McCann to answer questions about parts, service, and extended warranties. They have the knowledge and experience to help you complete any job efficiently and to maximize your productivity.

**We're here to help you get the job done.**
